

SUPPORT POLITICAL PRISONERS

Remember that many of those arrested in the past or present are not far from us. Many of them were and are community organizers, queer and environmental activists, people who decided to speak out against various forms of oppression and paid the price of freedom for their actions. Any one of these people could have at one time stood beside us in a demonstration, event, or organizing meeting. At any moment it could be us who find ourselves in this situation, so it is imperative that we ensure a strong community of support exists for these comrades as well as ourselves. The strength of our movement is determined by how much we support our imprisoned comrades as we collectively fight for a better world.

FOR POLITICAL PRISONERS

&

PRISONERS OF WAR

PPs and POWs: Political Prisoners and Prisoners Of War participated in radical and revolutionary movements at varying levels-- some in educational and community organizing, others in clandestine armed, offensive peoples' armies. All are in prison as a result of conscious political action, for building resistance, building and leading movements and revolution...for making change.

Many of us, in some way or another, are part of these very movements, part of the resistance that PP/POWs helped to build. As folks continuing to fight for change, we are obligated to support those folks who are imprisoned as a result of struggling to make change.

RUNNING DOWN THE WALLS

On Sunday, September 18th, from 2:00-7:00pm NYC ABC hosts a 5k run/walk/bike/roll at Prospect Park in Brooklyn as part of this annual, international event. Running Down the Walls is organized to raise much needed funds for the ABCF Warchest and Roots Unbound (RU).

RAISING FUNDS

The Warchest Program

Created in 1994, this Anarchist Black Cross Federation program sends monthly financial support to Political Prisoners and Prisoners of War (PP/POWs) who have received insufficient, little, or no financial support during their imprisonment. Funds from the Warchest are distributed through monthly stipends to the political prisoners in need. Prisoners use this money to cover the basic necessities of everyday living. Since its inception, the ABCF has raised over \$100,000 through the program.

Roots Unbound (RU)

RU is an abolitionist grassroots organization offering nature-based programming centered around food justice, therapeutic horticulture and ecological disinvestment to people in the NYC area with a focus on supporting and uplifting people impacted by the carceral system. <https://rootsunbound.org>
